

**Minor’s Liability Agreement (For Persons under the age of 21)**

I \_\_\_\_\_, the \_\_\_\_\_ (state your relationship to the minor), hereby authorize the use of and accept responsibility for my \_\_\_\_\_ (Son’s, Daughter’s, Niece, E.T.C) use of the vehicle as set forth on the **A1 USA Limo** Reservation Sheet, Charter Order# \_\_\_\_\_. I understand, acknowledge, and accept that even though the vehicle is to be used by the minor, that I, as the adult responsible for said minor, am and will be responsible for all costs, charges, and fees, whether known or unknown, with or without limitation, which may arise from said minor’s use of the vehicle. I have reviewed the above referenced Charter Sheet, and agree to all the terms and conditions set forth therein, including the additional fees for cleaning or other damages to the vehicle, and accept each and every one of those stated terms. I further have reviewed the description of services and special arrangements, and understand the costs and charges, and hereby accept those terms. Any restrictions I am placing upon **A1 USA Limo** are as follows:

I further understand that since the minor is not of age to consume or possess alcoholic beverages, none will be available for consumption or other use in the vehicle. I further understand that if a minor or any member of his/her party brings alcohol into the vehicle for consumption or other use, it is cause for immediate termination of transportation. Termination for violation of this provision shall not waive any costs as set forth on the Reservation Sheet, and I shall remain responsible for said costs. Consumption of alcohol by a person under the age of 21 is illegal in all states and allowing a minor to possess or consume alcohol may be an offense, so this policy *will be strictly enforced* to prevent any temptation of the minor or any members of his/her party to attempt to bring or obtain alcohol while being transported by **A1 USA Limo**.

*By signing below, I accept full responsibility, without limitations, as set forth, and have further explained this responsibility, including the ban on consumption or possession of alcoholic beverages, to the minor.*
